

Experienced Grading Crew Foreman

Job Description

Come join a 5th generation, family owned, Wisconsin based regional construction contractor specializing in mass excavation, underground utility, and aggregate production services. We serve the local and regional Public Works, DOT and private commercial & residential infrastructure construction markets throughout Wisconsin and the UP of Michigan. We are currently seeking a self-motivated individual to lead one of our experienced grading crews for the upcoming construction season. The ideal candidate will have years of experience leading grading crews, strong leadership and interpersonal communication skills, able to read blueprints, can effectively plan crew tasks to maintain integrity and production, is dependable, and functions effectively as an integral part of a team.

Responsibilities

- Communicate with crew, project managers, engineers, and project owners in a professional manner to meet production goals and customer requirements
- Take pride in workmanship
- Safety of crew and public
- Read and understand road construction/site blueprints
- Keep neat and accurate daily reports of time, personnel, and production

Qualifications

- Graduation from high school or GED equivalent.
- Previous leadership experience and knowledge of grading.
- Valid Driver's License with acceptable driving record. CDL preferred.
- Must be able to travel to various sites as required throughout Wisconsin and the UP of Michigan.
- Must be able to meet physical demands of the position such as walk/stand for long periods, lift, push, pull, and carry heavy objects.
- Must pass pre-employment drug test and random drug tests once hired.

We Value and Appreciate Our Employees:

- Union Wages and Benefits
- Health care & pension no cost to employee
